**Subject:** A message from Arkansas Auditor Dennis Milligan

Good afternoon, Larry,

Arkansas Auditor of State Dennis Milligan wanted me to reach out on his behalf and express his support for Israel and her people – every day, but especially today on the anniversary of the atrocious attacks one year ago today.

In Arkansas, Christian and Jewish leaders came together this morning for a press conference announcing unwavering support for Israel and our Jewish friends in America.

Auditor Milligan recorded a brief video, which you may watch [here](#) if you so desire.

I hope you are well,

Stacy Peterson
